

El Salvador

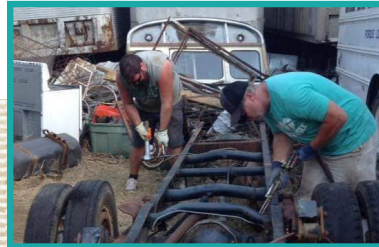

MARCH 18-25
2023

We would like to invite you to partner with us!

Since 2015, our team has traveled to King's Castle, in El Salvador, to provide resources and services to the poverty stricken community. Our next trip is scheduled for March 18-25, 2023. We invite you to join us! We will be serving people through meal packing and distribution, construction projects, medical services, and engaging with youth. We will also continue building a Family Resource Center that will help meet the needs of the local community.

If you are not able to travel with us, might you consider supporting us financially? Your support would provide funding for medical and construction supplies and accessible resources for the people who need it most in El Salvador. For generations, people in El Salvador will benefit from these services by developing long-lasting skills that can be shared with others in their community. No gift is too small!

Together we can transform communities!
